

ENHANCED VS. BASIC CUTOUT

Which One's Better?

It's your choice—one of these Cutouts includes an enhanced panel featuring personalized text, a full-color logo, plus extra design, but they both cost the exact same price, and if your group's already arranged for us to offer a FREE enhanced design, you're welcome to order one that way. (If not, tell them to contact us: there's no cost or commitment involved!)
